Permission Form and Payment

All cabbageball permission form and \$20 team fee should have been submitted to the church office before the season begins. If you have not turned this in, you must give it to Christian Lang before you can play in a game. The permission form is available in the permission form folder on www.stdominiccyo.org

Athletic Jerseys

All players must have the CYO athletic T-shirt (number on the back.) If this is your first time playing on a CYO athletic team, your shirt is complimentary; please let Johnny (504-813-3003) know that you need one. If you have played on a previous CYO athletic team, you should have a shirt from that past season; if you lost your old shirt or need a new size, you will have to pay \$10 for a new one.

Coaches

Coaches include CYO alums Meghan Rotolo, Merrick Rotolo, Madison Trauth, Kathleen Templet, and Ryan Templet.

If you are not able to attend a game, you must e-mail info@stdominiccyo.org or text 504-445-8345 at least one day before the game so we can be sure that we will have enough players and the correct male/female ratio to avoid forfeiting.

Field Locations

Besides St. Dominic, we have games scheduled at St Edward on West Metairie at Transcontinental and St. Benilde in Metairie (on Division Street between West Napoleon and West Metairie.) There is no grace period, and if we do not have enough players (including minimum ratio of male to female) present at the start time, we forfeit. If we forfeit, every player who did not notify us in advance of their absence will be assessed a \$20 forfeit fee. Please arrange your own transportation.
